May 25- Wine & Dine Club

We need your help to curate our wine list! We are excited to announce our monthly Private Wine and Dine Club. The Wine and Dine Club will offer local wine tastings paired with prime steaks from our menu. You will be educated directly by wine makers on their products and processes. After tasting exquisite meats and wine pairings, you will vote on which wines we should add to our menu. The club events are \$60 per person. To join the club, all you have to do is RSVP, as this is a private event. We will offer various side selections, soups and salads during each tasting. Our first Wine and Dine Club Featured Winemaker is Dennis Mobley of Vino Olivio and McCauley Estate Vineyards.

McCauley Estate Vineyards, “Bow Tie”

DENNIS MOBLEY

With over a decade of experience in winemaking, Dennis Mobley brings a wealth of expertise and passion to every bottle crafted at Vino Olivio Winery. His journey spans the entire spectrum of the winemaking process—from grape harvest and cellar operations to fermentation, bottling, and beyond. In 2023, Dennis earned his Certificate in Winemaking from the prestigious UC Davis program, a milestone that coincided with his award-winning successes, including silver medals for his Chardonnay and Zinfandel at major wine competitions, along with additional accolades for a range of other varietals.
